PROFILE

Senior Interior Designer with 9+ years' experience delivering high-end private residential projects across the UK, Europe, and the Middle East, with budgets up to £12m.

Oversee projects from concept and design development through procurement and site delivery—balancing design integrity with programme, budget, and buildability. Trusted client-facing professional, coordinating multidisciplinary teams to deliver bespoke, high-quality interiors.

WORK EXPERIENCE

Managing Director — Dragonwyck Ltd

Jan 2022 – Present

- Lead boutique design studio delivering 1–3 high-end residential projects simultaneously (up to £5m).
- Own full project lifecycle: concept design, FF&E, procurement, site coordination, and handover.
- Act as primary client contact, leading presentations, approvals, and decision-making.
- Develop procurement strategies across bespoke joinery, furniture, lighting, and finishes, ensuring quality and cost control.
- Maintain strong on-site presence to coordinate contractors, resolve issues, and safeguard design intent.
- Manage and mentor junior designers, reviewing outputs and ensuring delivery standards.

Design Manager / Interior Designer — Veyron Property Ltd (later Edelweiss London Ltd)

Nov 2016 – Dec 2021

- Delivered high-end residential projects (new build and refurbishment) with budgets up to £12m.
- Managed multiple projects concurrently, maintaining programme, quality, and budget performance.
- Led design development and client approvals through structured presentations and options.
- Produced and managed FF&E schedules and material specifications aligned with buildability and timelines.
- Led procurement and supplier negotiations, achieving significant cost savings (up to 50% off RRP).
- Coordinated contractors and suppliers on site, resolving issues and supporting delivery through to completion.
